NEW BUSINESS:

Library landscaping – Ken MacClellan

Mr. MacClellan introduced himself and explained that the Cecilton Library Board has felt, for quite some time, that the library needed a more inviting atmosphere as patrons entered the library grounds. He explained now that they have the new driveway, it is a perfect time to implement a new landscaping plan. He said that the Board is seeking permission from the Mayor and Council to proceed with the new plans since the Town owns the building and the grounds. He went on to explain that Mr. Michael Bignell is the newest Board member and he is also an Architect and artist. He introduced Mr. Bignell to the Mayor and Council and Mr. Bignell presented proposed landscaping plans to those present. Mr. MacClellan said that the Board believed all the work would be done with volunteers and with the help of the Lion's Club and local nurseries.
